Transform your Brand Story with Yeppar's Augmented Reality solutions. Yeppar helps marketers to truly let consumers inside their brand story.

Our goal is to use AR in such a way that it creates an interactive experience, engaging the customer through a rich and rewarding experience.

ABOUT AUGMENTED REALITY

Augmented Reality (AR) is a term for a live direct or an indirect view of a physical, real-world environment whose elements are augmented by computer-generated sensory input, such as sound or graphics.

HOW CAN YEPPAR HELP?

- ★ Augmented Reality can bring an innovative and exciting dimension to your Marketing campaigns and can engage the audience in a captivating manner.
- ★ Augmented Reality improves the visual impact of your presentations and helps your marketing team close deals faster.

INTERACTIVE WEDDING INVITATION

Augmented Reality gives the bride and groom to be the able to customize their invitations in an entirely new and digital way.

AR EXPERIENCE FOR INVITATION CARDS

Augmented Reality can change the way of inviting guests, audience to the events.

MAKE YOUR EVENTS MORE MEMORABLE

This means that a printed invitation becomes a source of digital information. When combined with the use of a smartphone or tablet, audio and video elements can be worked right into the card .

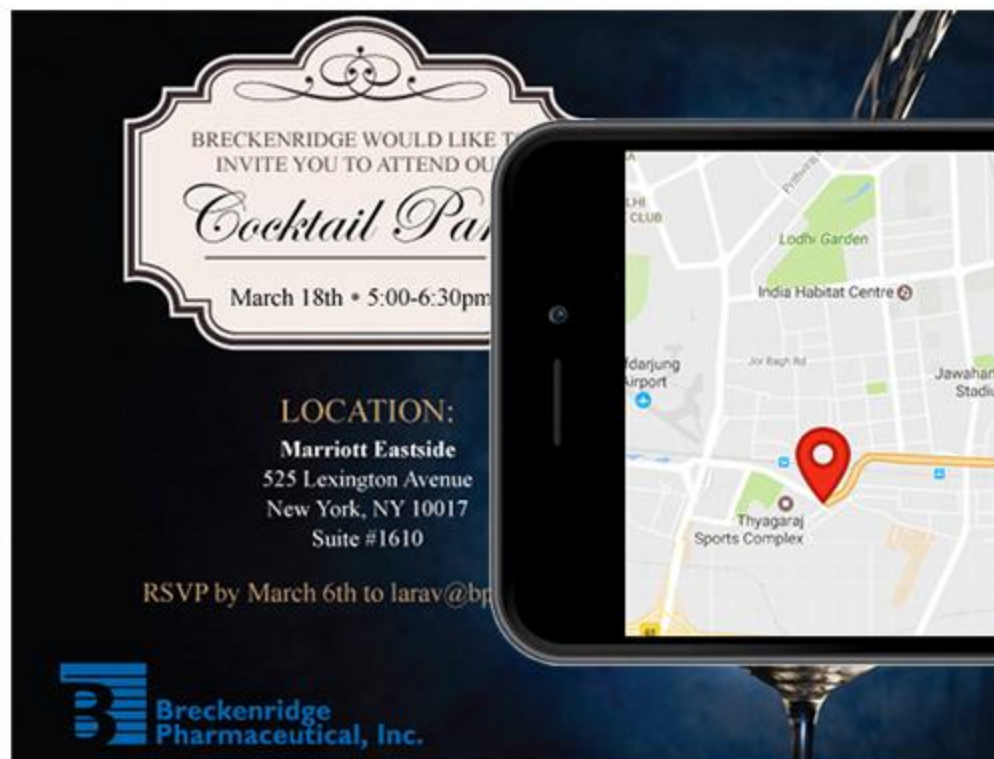

CORPORATE INVITATION CARDS

Audio or video messages can be shared with the recipient of the invitations so that they can be viewed through the use of their mobile devices.
